

### **We provide the best solution to your recruitment pain.**

Gresham Computer Personnel has more than 25 years of experience in the recruitment market, forming flexible, strong, and solid relationships with happy and satisfied customers. We are a highly successful division of Gresham Computing plc, and pride ourselves on the fact that our clients continue to work with us over and over again.

### **We are dedicated to no-nonsense recruitment with no hard sell**

We **guarantee** not to barrage our clients with excessive phone calls and a sack full of junk mail. We **don't** make unrealistic promises – if we don't have suitable candidates, we will tell you – **quickly**.

To enable us to find the best candidates, our dedicated staff focus on vertical markets where each consultant has developed specialist knowledge; whether contract or permanent.

### **Contract IT recruitment**

Our high interview-to-placement ratio demonstrates that we know exactly what you are looking for.

Speed is of the essence, we act fast, assisting our clients with their immediate skilled computer personnel resourcing issues.

Honesty is our best policy; we pay our contractors quickly and keep in regular contact with both them and

our clients. We reveal our margins to all parties so there are no nasty surprises with our contract recruitment service.

### **Permanent IT recruitment**

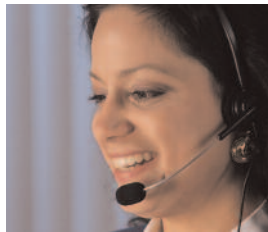

We offer a full range of services tailored to your individual requirements. We can run cost effective campaigns by:

- passing our preferential advertising rates directly onto you
- managing your campaigns
- undertaking formal preliminary interviews
- providing you with a range of pre-vetted candidates for your selection

Our professional and experienced staff are skilled at working on a search and selection, retained or contingency basis. We are dedicated to designing a flexible and unique recruitment solution for each of our clients.

We are proud to emphasise the fact that as a result of providing a highly professional service, the majority of our selected candidates are introduced from networking and personal recommendations.

**We provide the best solution to your recruitment pains**

### Why choose Gresham Computer Personnel?

We pride ourselves on our selection skills and will never send our database of candidates to clients and expect them to do the selection themselves. We have been successful at developing solid relationships based on personal recommendations and referrals.

Gresham Computer Personnel is committed to delivering a high quality, professional service which will lead to a long-term client relationship. We have built a reputation for honest, trusted and effective recruitment services.

### Judge us by the companies we keep

We are dedicated to no-nonsense recruitment with no hard sell and many of our customers have used our contract and permanent recruitment services continuously for over fifteen years on a sole or preferred supplier basis!

You can find out why they have been with us for so long by giving us the opportunity to demonstrate our ability to match your next requirement.

**It costs nothing until we are successful  
and our rates are always competitive.**

We really **care** about sourcing the staff you want – quality candidates with the skills you need, within your budget.

**Just sit back  
and relax ...  
we'll do the  
hard work**
